Carmel, IN | (317) - 658 - 9778 | [LinkedIn](#) | [My Website](#) | [Github](#)

EDUCATION

Indiana University
BS, Informatics with a minor in Business

Bloomington, IN
Cumulative GPA: 3.7

WORK EXPERIENCE

Video Scout **May 2025 - Sep 2025**
Sports Info Solutions

- Scored and charted over 150 games across all levels (NCAA, A, A+, AA, AAA, MLB)
- Evaluated defensive plays and baserunning decisions, distinguishing between positive and negative outcomes
- Completed Scout School to strengthen player evaluation and talent assessment skills
- Attended company-led SQL classes to enhance data management and support scouting analysis

Pitcher Timing Intern **May 2024 - Oct 2024**

Inside Edge

- Provided data and insights to 23 MLB Clubs and ESPN/MLB Network to support advance scouting decisions
- Recorded data points on pitcher timing with runners on base at the MLB, Triple-A, and Double-A levels
- Delivered information that contributed to scouting reports and aided teams during a season that produced the highest MLB stolen base total since 1915

Data Intern **May 2024 - Aug 2024**

Milestone Business Solutions, Carmel, IN

- Centralized company data to improve organization-wide efficiency and inform future business growth strategies

PROJECTS

Interactive MiLB Hitting/Pitching Scatter Plot

Python, Render, HTML, CSS (Bootstrap), Flask

- Created a Dash App featuring an interactive scatter plot allowing the user to choose their own x and y axis
- User can choose what information is displayed when hovering over each data point and also includes a parameter field allowing user to filter with any statistic
- Located under “projects” section on my website (<https://swilt13.github.io/swiltprofile/>)
